

Are you interested in training to become a primary school teacher?
If so, have you considered

Bleak Hill School Direct Programme?

Bleak Hill Primary School, Ex Terra Lucem Alliance. (Part of The St Helens TSA and National Maths Hub) is part of a growing number of schools that is leading the way for more school-led teacher training. This is really important to us because it means we can choose the very best talent and develop them into teachers. Being able to choose who we train as teachers helps us in delivering the best outcomes for the students at Bleak Hill Primary School and other neighbouring schools within our alliance.

Why should you choose us? Training with us has many benefits including...

- From day one of your training, you are **immersed in school life**. Straight away you are developing your understanding of the role of the teacher and your own knowledge and skills in this role.
- You will be trained by experienced and enthusiastic teachers and senior leaders who are **specialists** in their curriculum subject.
- You will gain a PGCE as well as QTS and also have opportunity to gain **Masters Credits** through the sessions at **Liverpool Hope University**.
- **Job Opportunities** - We already have an excellent track record of employing Teachers, both in our school and schools within the Alliance, who have trained with us- 100% employment rate in 2014-15. School direct is developing an excellent reputation nationally.
- Training will include **lots of opportunities** to develop further skills and qualifications which will be of benefit to your CV.
- You will gain a **range of experiences** within a great **support network** across a range of phases (nursery through to secondary including a special school placement).

Applications

We have vacancies now to start training from September 2016 and we would be very interested to hear from you if you are thinking of becoming a teacher.
