Dear Parent/Carers,

Behaviour and Standards at Haydock High School

I would like to take this opportunity to thank all parents and carers for their support over the last term and a half whilst we have implemented the choice behaviour system. From Tuesday 19th June we will be recapping and continuing to further embed these high standards in preparation for a relaunch in September.

The vast majority of our students exhibit exemplary behaviour and are a credit to our school community. Our whole school AtL average lies at 4.10 with an average of only 0.04% of students achieving an AtL of 1 or 2 on a weekly basis. Parents now receive a half termly attendance and behaviour report that supports our school policy.

We will continue to strive to achieve the highest standards of behaviour by promoting the rewards of having an excellent attitude to learning and the values of our Haydock Charter.

In order to do this I would like to take this opportunity to remind parents and carers about our expectations in terms of uniform, punctuality and footwear.

To further enhance our work in personal development, welfare and behaviour from September we have appointed 3 Heads of Achievement. Mr Sharrat will be attached to Years 7 and 8. Mr Weaver and Mr O'Neil will be attached to Years 9, 10 and 11. Their role will be to support behaviour for learning in and around our school community and also analyse data and develop academic progress when students fall below target. They will work closely with Heads of Year and liaise with parents to keep them informed of any interventions required.

We are working very hard to prepare for September but standards will not be reduced in the final weeks of this academic year.

Thank you again for your continued support.

Yours faithfully

Mr K Wright

Assistant Headteacher
