Dear Parent/ Carer,

We are extremely pleased with the improvement in attendance and punctuality at Haydock High school this year. The vast majority of students have an attendance above 96% and are on time every day for school. We appreciate your support with achieving this.

A small number of students however, continue to be late through their own fault. From next week any student who is more than 5 minutes late for school will receive a break time detention. School starts at 8.40am and all pupils should aim to be here by 8.35am at the latest.

Please can you remind your child how important it is to arrive on time. Being punctual is a quality that is important for future employment.

Thank you in advance for your support with this very important matter.

Kind regards,

Mr P Abram
Head of School.
