Dear Parents/Carers,

RE: Student Property

We would like to remind all parents/carers to please ensure your child arrives at school prepared for the day ahead. So in addition to arriving in the correct uniform if your child is for example having a packed lunch, has PE that day or needs ingredients for Food Technology can you please ensure they have everything they need with them.

The school is increasingly receiving high numbers of items dropped off throughout the day for students such as PE kits and lunches. In these cases students will be notified and it is their responsibility to visit the office to collect their items. Therefore if students do not visit to pick up their belongings they will not have them in time for lunch or their lessons.

So we ask if you can please ensure your child arrives at school prepared with everything they need for the day ahead. Thank you for your support with this.

Yours sincerely,

P Abram
Head of School
