20th December 2019

Dear Parent/Carer,

Many thanks for your continued support during this term and especially this week. We have been overwhelmed by the messages of support and kind words that we have received during the last few days- it is really appreciated.

It has been a very productive term and year 11 definitely need a rest next week. Year 11 pupils must be mindful of the exams they have in January and February and do some revision after 27th December. They will have less to revise in the summer if they do well in these exams.

It has been a very busy end to term with lots of students involved in lots of different events. These include: the ten pound challenge, delivering cards and hampers to the local community, the church visit, eco schools events, rewards events, the year 11 mock interviews, aspiration evening and of course the amazing Christmas concert last night. We have also had the very important task of naming the school snake. We have been asked to submit our suggestions and I am secretly hoping that my entry 'Klopp' will be selected. Please take a moment to look at our twitter page for lots of pictures from the recent events.

Finally, can I wish you, your families and everyone in the Haydock community a very peaceful and enjoyable Christmas. The students (and staff) need a rest ready to continue to work hard in order to achieve their potential in the new year.

Kind regards,

Mr. Abram and all the staff at Haydock High School.
