21<sup>st</sup> April 2020

Dear Parent/Carer,

I hope you are well. Here are some updates from Haydock.

## **Communication**

Please remember that Haydock staff are checking and communicating with families. If there is anything we can do to help, please do not hesitate to contact the school through normal channels ie email: [info@haydockhigh.sthelens.org.uk](mailto:info@haydockhigh.sthelens.org.uk) or telephone: 01744 678833

## **Studying and working at home**

We are pleased to hear that students are continuing their learning at home. This is so important, as the students will need to be ready for when we reopen. Please keep checking the website for the required work to be completed and contact the appropriate subject leader if you have any questions. Here is the link to the Q&A from our website [https://www.haydockhigh.org.uk/downloads/letters\\_to\\_parents/school\\_closure\\_-\\_covid\\_-19\\_questions\\_and\\_answers.pdf](https://www.haydockhigh.org.uk/downloads/letters_to_parents/school_closure_-_covid_-19_questions_and_answers.pdf)

## **Y11**

The school has been receiving regular updates from the DfE about the process for allocating grades. Staff are now in the process looking at students' performance in past exams, assessments and homework and using the DfE criteria for estimating grades. Result day has now been confirmed – 20th August. No results can be given to students before that day.

## **Reopening the school**

On Monday 20<sup>th</sup> April Haydock re-opened for children who have key worker parents and also some vulnerable students. If your circumstances have changed and you are now a key worker please contact the school if you require place.

Like you, we are keen to open fully and return to normal, however, we are awaiting direction from the DfE and once we know we know a date, we will share the procedure for students returning to school. In the meantime, please continue to follow the guidance from the government and continue with learning.

Keep safe
