1<sup>st</sup> June 2020

Dear Parents,

I hope you and your family are well. The government announced on the 25<sup>th</sup> May:

*From 15 June, secondary schools are able to offer face-to-face support for a quarter of the year 10 and 12 cohort at any one time. Alongside this the government is asking secondary schools to:*

- *continue providing full-time provision for children of key workers and priority students (including year 10 and year 12)*
- *continue providing full-time provision for children of critical workers in all year groups (including year 10 and year 12)*
- *provide some face-to-face support to supplement the remote education of year 10 and year 12 pupils, with a clear expectation that remote education will continue to be the predominant form of education delivery for these year groups and that this should be of high quality*
- *continue to use best endeavours to support all other pupils remaining at home, making use of the available remote education support and ensuring a high quality offer*

### **What does this mean for Yr 7 to 9 students?**

Your son/daughter will not be returning to Haydock High School before September. They will continue with home working. There will be more direct online teaching available from Monday 8<sup>th</sup> June to supplement the work already provided. Information will be provided later this week.

We will continue to support children of key workers and priority students and if your circumstances have changed and now wish your son/daughter to attend Haydock High School please contact the school.

Once again thank you for all your support

Keep safe.

Yours sincerely,

Mr C Sheeran  
Executive Headteacher

Mr P Abram  
Head of School
