

## Message from Merseytravel

With some pupil cohorts returning to school and travelling on the public transport network we would like to advise and confirm that all pupils over the age of 10 years old should be wearing a face covering on their bus journeys to and from school in line with the Government Guidance. The only exception to this is for individuals with medical exemptions.

Merseytravel would welcome the support of schools in communicating this message to both pupils and parents to raise awareness and help enforce this mandatory Government requirement.

Kind regards
