20th January 2020

Dear Parent/Guardian/Carer,

As a parent of a child who has selected Haydock High School as their first choice for secondary education, I am writing to you to invite you to a meeting regarding the outcomes of our recent Ofsted inspection. As a result of the inspection, the school was given the ratings of 'requires improvement' for Quality of Education, 'good' for Behaviour and Attitudes, 'good' for Personal Development and 'inadequate' for 'Leadership and Management' and therefore inadequate overall. This is something, which of course, we are overwhelmingly disappointed about within the wider journey of improvement our school has made in many areas over the last two years

We have recently held a meeting for parents of our current students in the light of this report. We feel that it is equally important that as prospective parents of students at our school that you also have the opportunity to understand how these findings were reached and to ask any questions in the light of this.

The meeting will take place on **Wednesday 29th January at 6pm** and will aim to outline how the inspection findings were reached. As a forward looking and reflective school, we will additionally aim to explain how we will continue to respond to recommendations from the report and act in the best interests of our students in our commitment to continuous improvement.

Can I take this opportunity for your initial decision to entrust your child's education to our school. We look forward to meeting with you should you wish to attend. In the meantime, should you have any further questions regarding the selection of Haydock High School as your child's first choice or wish to discuss any issues on an individual basis then please do not hesitate to contact school to arrange this.

Yours sincerely,

Mr P Abram
Head of School

Miss K Lane
Deputy Head (Lower School)
