28th March 2021

Dear Parent/Guardian/Carer,

Thank you for your ongoing support of your child 's learning and of school since January. As a school, we are enormously grateful for your dedication and commitment to this process.

As we move towards preparing for the return of students, I am writing to inform you of some changes to the timetable next week and from the week beginning 8th March.

- Next week, **there will be no live lessons on Thursday 4th March**. On this day, all staff will be taking part in essential preparation for students' return to school. These lessons will be replaced with pre-recorded learning on these days.
- **From the week beginning 8th March, pre-recorded lessons will continue but live lessons will end** as staff in school will be required to support the testing process, teach key worker children in school, alongside their timetable for students returning to school from this point.
- Any students required to isolate thereafter will find work set for them in their year Team e.g. Year 8 Students or class team for their subject.

If you have any questions regarding this, please do not hesitate to contact me.

Yours sincerely,

Miss Lane
Deputy Headteacher
