March 2020

Dear Parent/Carer,

In order to support your child's learning at this uncertain time, we have signed up to an online home learning programme called Tassomai. Tassomai will help your child to continue making progress in Science until their return to school. Please note that Tassomai should be used additionally to any home learning packs already issued.

To access Tassomai your child will need to follow the instructions below on an internet enabled smartphone, tablet or computer device.

## Instructions for Students

- Visit [app.tassomai.com/signup](http://app.tassomai.com/signup).
- Enter your school's unique code: **TNE8WKBV**.
- Enter your details.
- Choose the correct class from the dropdown menu.
- Start doing four daily goals per week!

## Joining Multiple Classes

As our students are in multiple classes, they can only select one class when initially signing up. After this, they should then go to their account settings and select "join classes" to join their additional classes.

If students forget their individual login details or join the wrong class, please contact Mr Weaver via email as a first port of call.

As always, if you have any queries, please do not hesitate to contact us.

Yours sincerely,

Mr R Weaver - [rweaver@haydockhigh.sthelens.org.uk](mailto:rweaver@haydockhigh.sthelens.org.uk)  
Head of Achievement – Upper School
