23<sup>rd</sup> February, 2021

Dear Parent/Carer,

I would like to start with a big thank you for the all the guidance and support you have given your child over the last seven weeks with regard home learning. School has remained a hub of activity, with supervision open to selected students and all staff busy planning, delivering and feeding back to submitted work. We are also preparing to welcome students back and maximising learning in the remainder of the school year and planning for beyond.

At present, the plan is to welcome all students back into school for their learning on Monday 8<sup>th</sup> March, however, it remains vital that students stay focused on their education and strive to complete as much learning as they can at this time. Please remind your child that if they have any questions regarding work, they should contact their class teacher directly and contact their Form Tutor or Miss Ward, Head of Year, with any other concerns.

We are currently planning for the remainder of Year 10 and the transition for students into Year 11, we are very conscious of the concerns that students and their families may have with regards to the impact of the two national lockdowns on your child's ability to reach their full potential and move on their chosen and successful destinations in September 2022. We are in the process of reviewing the curriculum and would like to invite you and your child into school for a 'face to face' meeting to discuss and considered individual actions to support your child in reaching their goals and realising aspirations. Meetings will be held between **Monday 1<sup>st</sup> March and Wednesday 3<sup>rd</sup> March, to arrange your meeting time please email [kward@haydockhigh.sthelens.org.uk](mailto:kward@haydockhigh.sthelens.org.uk) by Friday 26<sup>th</sup> February 2021.**

Meetings will be at school for approximately 50 minutes in the Sports Hall. Entry to the Sport Hall will be made available through the junior yard entrance. We are using a large space with staff and visitors at least 2 metres apart to adhere to social distancing guidelines. Visitors will queue outside on the junior yard ready for their appointment (similar to a supermarket system). The usual hand sanitiser and cleaning processes will be followed throughout the appointment and we ask that all, bar those exempt, wear a face covering whilst on site; this can be removed during your meeting.

Yours sincerely,

Mrs J Wright  
Deputy Headteacher – Head of Upper School
