February 2020

Dear Parent/Carer,

I write to you again as we now approach Assessment Point 3 of Year 11, which will run from Monday 9th March – Friday 13th March.

As you will already be aware, in order to fully prepare our students for the rigour and challenges of GCSE Examinations, we have three internal assessment points for each year group. These are designed to support students in developing their exam techniques and to capture current attainment data which informs teacher planning and future learning experiences. Students should approach these assessments with a determination to do their best and, therefore, prepare thoroughly.

Students would be well advised to act upon the advice given to them by subject teachers in recent lessons and revise for these assessments over the next four weeks. Enclosed with this letter is an 'Assessment Point Overview Sheet.' This provides an outline of the content your child will be tested on during Assessment Point 3 and should indicate relevant revision topics for them to cover.

I would like to take this chance to remind you that all students have the opportunity to attend numerous support/study sessions both before and after school; as well as this we have a number of sessions running over February half term. Students are timetabled a minimum of two compulsory Lesson 6 periods per week based on their individual Assessment Point progress. Please support us in ensuring your child is fully prepared for these assessments by encouraging them to make the most of these opportunities.

As always, if you have any queries please do not hesitate to contact us.

Yours sincerely,

Mr R Weaver
Head of Achievement – Upper School
