7th June 2019

Dear Parent/ Carer,

The students have been brilliant this week. There have been lots of exams but they have coped well and given their best. This is the last week and we need one final big effort to achieve the best possible grades. Please note that there is a science revision morning on Saturday morning starting at 9am. All pupils are invited.

Pupils will be in school every day next week. They will be in school all day on Monday and Tuesday and will complete maths, history and chemistry revision sessions. On Wednesday and Thursday they will be permitted to leave at 1.15pm. On Friday they will leave school from approximately 12 noon after the leaver's assembly. Please email if you would like your son/ daughter to stay in school and be supervised on these days. If you do not email I will assume that you are taking responsibility for your son/ daughter after they leave the school site. (pabram@haydockhigh.sthelens.org.uk)

Please note any students who haven't completed Drama, Business and/ or Animal Care work are able to stay in school and complete coursework on Wednesday, Thursday and Friday and if not completed by 14/06/19 **must** attend school the following week until completed.

Please see overview of next week below.
