Dear Parent / Carer,

I am writing to inform you that we will be running a Maths competition for all current Year 8. The aim is to complete 10 minutes a day of Maths and is a great opportunity to consolidate and practice. Your child will have access to one booklet, which is split into 30 days of questions, to be completed Monday through Friday.

Alongside this will be the answers, it would be great if you could mark these for your child and sign the back of the booklet for each session that they complete.

Pupils who complete over 75% of the questions will be entered into a prize draw in September for the chance to win a prize.

1st place - £50 voucher

2nd place - £30 voucher

3rd place - £20 voucher

This booklet can be accessed digitally, via the following links:
