Dear Parent / Carer,

## RE: Year 9 Progress Review Evening

Due to the current National Lockdown restrictions, we have reorganised how we will be delivering Year 9 Progress Review Evening this year. Staff have completed marking and moderating the recent Year 9 Assessment Point 1 responses and would have normally spent time with you during Progress Review Evening to discuss progress and achievement in their subject. Unfortunately, this year, we will not be able to meet face to face.

Instead, teachers have completed their feedback, following Assessment Point 1, and one of your child's teachers will telephone home between **Thursday 26<sup>th</sup> November and Thursday 3<sup>rd</sup> December**, to provide feedback on all subject areas. In this discussion there will be an opportunity to provide your feedback which will be passed back to members of staff.

Although delivered in a different way this year, we are looking forward to sharing and celebrating some of the many achievements that your child has made since returning to Haydock High School in September.

Yours sincerely,

Mr P Abram,  
Head of School
