21st November 2019

Dear Parent/Guardian,

Our Year 9, 10 and 11 students are now entering the most important phase of their education so far.

GCSE and equivalent qualifications will be the most important key to determining your child's next stage of education. Competition for places at colleges and apprenticeships have never been so high and it is vitally important that we work together to help our students to get the very best qualifications that they can in order to get the places they deserve. It is also important for your child to understand there is a vast variety of careers and opportunities within every subject they learn.

With this in mind, I would like to invite you and your son/daughter to our **Aspiration Evening** on **Thursday 5th December 5:30 pm till 7:30 pm**. On arrival to school you will be directed to the Drama Theatre or to rooms where there will be a number of external agencies or workshops to offer support in helping your child make the best choices, as they move forward with their next step in education.

Part of the evening is for you to discuss progression to further education with various colleges. In addition to this, there will local apprenticeship providers, universities, the military and representatives from lots of different professions. A Career Connect advisor will also be present to offer you personalised advice.

I do hope that you will be able to support your child into this important phase of his/her life, and I look forward to seeing you on the **5th December**.

Please complete the tear off slip below and return to your child's form tutor by **Monday 2nd December**.

Yours sincerely,

J Vernon

Mrs J Vernon-Tinsley
Head of Careers and Enterprise
