

Haydock High School, November 2020: Blog.

November has seen a real return to school life with many of our year groups completing their Assessment Point 1 tests, whilst our Year 11 students sat their AP2 mocks towards the end of the month. It was great to see so many students working in lessons and the Sports Hall on their assessments, really engaging with the process of revision and routine in preparing for each test.

The Year 11 team wanted to pass on their congratulations to Year 11 who sat a large number of mock exams that spread over three weeks. A number of students really engaged well with the additional support and opportunities that have been offered to students in Maths and English, alongside all of the support and additional sessions offered through morning, period 6, break and lunch time opportunities from departments across the school.

There was certainly a frosty chill in the air in the last week of November, and we'd like to take this time to remind students to wrap up warm through the coming months and keep each other safe.

Christmas Card Reminder from Mrs Chang:

CHRISTMAS CARD COMPETITION

Are you feeling festive? Are you creative?

Then why not get involved in Haydock's Christmas Card Competition!

The winning cards will be reproduced and go on sale. All proceeds will be donated to the food bank to support what we are doing during form time. 😊

Deadline for entries is: Friday 4th December
Form tutors please place in 9.4s pigeon hole for Mrs Chang & Lincoln Carmody or hand to Mrs Ashburner.

Black History Month, Project from Mrs Finnigan:

We are launching a Black History month competition.

The deadline for this is Monday 11th January, so you have plenty of time to complete it to a high standard .

We are launching our extended Black History month project to students across the school and inviting you to take part in this important message that has affected so many across the world. The History department invite you to take on the competition and research a figure from Black History and to submit your project through a variety of methods, including:

- Design a museum exhibition for that person or event. Your museum should have at least 10 artefacts (objects or images that represent that person). Choose carefully and explain what they represent.
- Write a speech saying what they have achieved or what happened and why they or the event should be remembered.
- Make a 3 min Youtube video
- Make a cartoon for kids to help them to understand it.
- Create a piece of artwork commemorating the person or event

:

English Update, Miss Lloyd:

72X are loving Much Ado and are enthusiastic about reading it all.

Christmas Appeals from Miss Edwards:

Thank you all some much for your donations to our Christmas Appeals over the last few weeks. We are continuing to take donations throughout December and if you would like to donate to support initiatives like our Hardship Fund, then please contact the school office.

Thank you to all students and staff who supported the Odd Socks Day in support of ending bullying and harassment this year, certainly a colourful difference that celebrated the day well.
